

## Organizers

### General Chair

**Magnus Egerstedt**

Georgia Institute of Technology, USA

### Program Chair

**Maria Prandini**

Politecnico di Milano, Italy

### Vice Program Chairs

**Dimitri Peaucelle**

LAAS-CNRS, France

**Jonathan How**

Massachusetts Institute of Technology, USA

**Luis Sentis**

University of Texas at Austin, USA

### Workshop Chair

**Na Li**

Harvard University, USA

### Finance Chair

**Randy Beard**

Brigham Young University, USA

### Local Arrangements Chairs

**Todd E. Humphreys** and **Takashi Tanaka**

University of Texas at Austin, USA

### Publications Chair

**Tansel Yucelen**

University of South Florida, USA

### Registration Chair

**Ran Dai**

Purdue University, USA

### Exhibits and Sponsorship Chair

**Yancy Diaz-Mercado**

University of Maryland, USA

### Publicity Chair

**Sergio Galeani**

Università di Roma, Tor Vergata, Italy

### Student Activities Chair

**Giulia Giordano**

University of Trento, Italy

### Sustainability Chair

**Ahmad Taha**

University of Texas at San Antonio, USA

### Diversity and Inclusion Chair

**Richard Murray**

California Institute of Technology, USA

### Conference Editorial Board Chair

**Amir Aghdam**

Concordia University, Canada

### Electronic Services Coordinator

**Pradeep Misra**

Wright State University, USA

## CALL FOR PAPERS

## You are invited to a Hip, Diverse, and Green CDC on its 60<sup>th</sup> anniversary!

The 60<sup>th</sup> IEEE conference on Decision and Control will be held Monday through Wednesday, December 13-15, 2021 at the Fairmont Hotel, Austin, Texas, USA. The conference will be preceded by workshops on Sunday, December 12, 2021.

The CDC is recognized as the premier scientific and engineering conference dedicated to the advancement of the theory and practice of systems and control. The CDC annually brings together an international community of researchers and practitioners in the field of automatic control to discuss new research results, perspectives on future developments, and innovative applications relevant to decision making, systems and control, and related areas.

The 60<sup>th</sup> CDC will feature contributed and invited papers, as well as workshops and tutorial sessions. It is hosted by the IEEE Control Systems Society (CSS) in cooperation with the Society for Industrial and Applied Mathematics (SIAM), the Japanese Society for Instrument and Control Engineers (SICE), and the European Control Association (EUCA).

The conference will take place in the Fairmont Hotel in Austin, Texas. Austin is known as the "Live Music Capital of the World" and is the home to the University of Texas at Austin as well as the Texas State Capital. The city features many high-tech companies and start-ups and is renowned for its vibrant food and culture scenes. As Austin's unofficial slogan is "Keep Austin Weird", the 60<sup>th</sup> CDC has embraced this aspect of the host city and has incorporated a number of non-traditional elements in the program.

## Important Dates (2021)

### January 6

Submission Site Opens

### March 4

Initial Paper Submissions to L-CSS  
with CDC Option Due

### March 9

Invited Session Proposals Due

### March 18

Initial Paper Submissions Due

### May 1

Workshop Proposals Due

### Mid-July

Decision Notification

### August 1

Registration Site Opens

### September 10

Final Submissions Due
